A word from God

"I have been crucified with Christ; and it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me and gave Himself up for me."
Galatians 2:20 (NASB)

As we continue in the early stages of our journey to grow deeper in our relationship with God the words of this scripture must become personal. Jesus died that I would have life. There is no greater sacrifice that can be given. In return or in appreciation He desires and deserves that I put Him above all else. To say *'I have been crucified with Christ'* carries with it a determination to live so that my old nature no longer has an effect on me. It means when people see me they are seeing the character and actions of God. It means I am changing and I have put my life into the hands of God. There is no longer need to worry or be troubled or anxious because He knows what is best and has more interest in me than I do for myself. The Apostle Paul made this very bold statement, 'I die daily to self'. God will change me to the degree I am 'crucified' with Him. Put your faith totally in Him.

Prayer & Praises

- Pray for the marriages in our church that they will be 'trouble proof', secure in Jesus' protection.
- Continue to pray for our expansion! The architect is making some final changes before the plans go to the builder for costing.
- Pray for our church theme to be a reality. Every believer Growing Deep-Going Wide in 2009.
- Pray for our impact on the community. 1000 people coming to know Jesus as savior is not many when we consider that there are at least 30,000 people within 2.5 miles of our church.
- Pray for 5 people you know who need Jesus as Savior and Lord. This Sunday we will commit these people to God in prayer.
