A word from God

“This is how we know we are in him: Whoever claims to live in him must walk as Jesus did.”
1 John 2:6

Continuing along the line of ‘what does your life look like?’ it is my personal desire to instill in each of us the word of God which will make us into Christ followers. The Apostle Paul told the Christians at Ephesus to imitate Jesus in their daily lives. The Apostle John in the above scripture makes it even more imperative. John tells us that if we are really believers ‘we must walk as Jesus did’. I think the most complete and informative place to find out how Jesus lived, what was important to Him and how He demonstrated that life is the Bible. During the next several weeks on Sunday mornings we will study Jesus’ life with respect to three distinct person groups, God, those who are believers and the lost. May I encourage you to study the book of John in your daily devotions. Read it through and see how Jesus lived for God The Father. See what was important to our Lord and Savior. Ask God to show you how to become like Jesus in every way of your life.
