A word from God

"Jesus responded, "Why are you afraid? You have so little faith!" Then he got up and rebuked the wind and waves, and suddenly there was a great calm. The disciples were amazed. "Who is this man?" they asked. "Even the winds and waves obey him!""

Matthew 8:26-27 NLT

Are you afraid? Of anything? Why? These are some serious questions that can only be answered by each of us individually. However the Bible, cover to cover contains scripture after scripture that encourages us now to fear anything, not to be troubled, not to be afraid. The reason for the assurance called out in the Word of God is that when our trust is in Him so is our well being. God has promised us that He will never leave us or forsake us. Never is a long time, like eternity. So if we are afraid and God tells us not to be afraid what does that say about our faith in God? Has He ever let you down? Wow we have a mighty God. He is greater than any superhero Hollywood could ever dream up and plaster all over the screen. Our God is real! Can you trust Him?

The Impact of HIStory-100 Days of Jesus:

- **PRAYER MEETING THIS FRIDAY 7:00-8:00 PM @ CHURCH**
- I truly hope your study of the 100 Day devotional guide is paying off in jumbo rewards from the Holy Spirit. Searching the Bible and evaluating our lives against it the only way I know to make sure I am getting close to the mark that Jesus desires for me. *Pastor Frank*
- As you work through the devotional days please send me your comments, good and bad. Staff is interested in the impact the guide is having on each of you. Some of you have found something that troubled you about a page of devotion. Our prayers are that this booklet will make you think. Thinking about what we believe and how it impacts us is a great way to grow us spiritually.

A need for praise:

- *Praise God* for all the wonderful praises you gave on communication cards.
- *Praise God* for the your response to God in the financial needs of His ministry.
- *Praise God* for over 350 people being involved in "The Impact of HIStory."
