## A word from God

*“And now, O Israel, what does the LORD your God ask of you but to fear the LORD your God, to walk in all his ways, to love him, to serve the LORD your God with all your heart and with all your soul...” Deuteronomy 10:12 NIV*

A number of years ago the great coach of the Green Bay Packers, Vince Lombardi, after suffering a staggering defeat gathered his team back on the home field at 2:00 am, held up a football and said, “this is a football.” He proceeded to take his players back through the basics of the game. Sometimes we Christians need to get back to the basics. We get so involved in “doing” and “being busy” and thinking we are on the right track and then we begin running out of energy and we find ourselves needing to reconsider what our life has become. I think those basics are summed up well in this passage of scripture. What does God want from us? It has not changed from the creation of man. He asks the same thing of the nation of Israel as He asks of us: Love, honor, respect Him; follow all His ways; love Him and serve Him with all your heart and soul. Where are you in doing what God asks of you? Perhaps it is time to get back to the basics of our Christian life.

**NOTICE:** If you are experience flu like symptoms please call the church office for prayer and out of courtesy to others stay at home and get well. If you are involved in ministry we will find a replacement to cover for you until you are well. Thanks and God bless you during the healing process.
