A word from God

"See to it that no one misses the grace of God." Hebrews 12:15

This week our Sunday morning message is on our Mission. Let me refresh your memory. Our Mission is "To make disciples teaching them to love God and people because He first loved us." The Apostle Paul pushes us to remember to live our lives in such a way that there is no one we come in contact with, no one who observes how we live or whom we have had dealings with who does not see Jesus Christ in us. The Grace of God is salvation. The Grace of God is life changing. The Grace of God can change eternity for all who accept the offer. There have been times when I set out to look for something. I searched and searched, turning things upside down, looking in places the item could never possibly be only to find it in plain sight staring me in the face. The Grace of God is that evident but the world misses it more often than not. We are to be the shining light which sheds light like a beacon on the way to the Grace. We are to be the living 'MapQuest' which gives point by point direction to Him. *"See to it that no one misses the grace of God."* is our Mission and unlike "Mission Impossible" we cannot refuse to accept it. Live so the world sees Jesus, God's Grace in you.
